PARKING: Frontier Park is a terrific venue because there are lots of shade trees and a large parking lot. However, it is a public park with multiple activities happening on most weekends. It is a popular dog-walking park, so you'll want to be aware of non-competitors who may be walking near the three buildings we'll be using.

LEASH POLICIES: All dogs must be on a short leash and under control while on trial grounds except while searching. Flexi/retractable leads are not permitted on USCSS™ sanctioned trial grounds. No choke chains, prong collars or halti/head collars are permitted at this event. Leashes of any length may be used while the dog is participating in a run during a Class, but they must be switched over to a 6' length leash when outside of the search area.

TRIAL VENUE INFORMATION:

Smoking is permitted only in designated areas. **Smoking** is not permitted in the building. The trial will be held indoors and outdoors. Surfaces used for searches will be vinyl floors, wood floors, dirt, grass, concrete and gravel. There may be long walks to some of the search areas on both trial days, with steep descents + ascents to the search locations.
